English Department Presents:

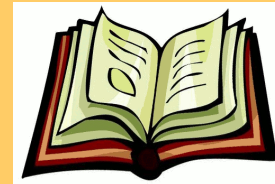

The English Department at the Big Apple Academy is very excited to invite students of Grades 3-6 to the "It's All Greek To Me" event which will be held on January 20– 23, 2015. The inspiration for this event came from Rick Riordan's Percy Jackson and the Olympians series, books that brought Ancient Greek Mythology into the modern world. As part of this event, students will have a unique opportunity to visit Camp Half-Blood where students meet the gods, goddesses, and monsters of Greek Mythology, learn to write their names in Greek, and enjoy the taste of truly godly foods, nectar and ambrosia (delivered from Mount Olympus!)
