

Alex Grauer a student of Bambi Academy for 10 years.

**Bambi, Bambi!** Dear school! Greatest teachers, swimming pool.  
Sometimes "B", but often "A", kids are there every day.  
Speaking Russian is very hard; they will teach you very fast.  
Meals are great, one lunch and breaks, hot, delicious fruits and cakes.  
Bus is yellow, big and long, kids are waiting not too long.

School's location is very good, come and see, and stay for good.  
Our teachers are special friends, teach us to think and comprehend,  
Give us guides in ways to grow, show what is right and what is wrong.  
**Bambi Academy** is a perfect place to get your wisdom and your grace,  
Get your knowledge, meet new friends, and together we'll build a new world.
