

Green Thumb Workshop

Big Apple Academic Highlights

Let's Get Learning and Growing!

This workshop will present educational activities over a course of 3 days. Our students in Grades K-2 will be able to:

- ♦ Watch the Presentation (January 29)
- ♦ Learn the specific steps of the planting process
- ♦ Decorate their own planting pots (February 7)
- ♦ Plant their plants (hands on experiences)
- ♦ Take their plants home (in March)
- ♦ Observe how their plants grow and develop

Real Science Experience Within the School Walls !!!

Workshop Cost: \$25
