

Principal's Desk

Every year the Big Apple Academy publishes its annual Accountability Report that presents the New York State Tests results in Mathematics and ELA. The Accountability Report of 2023 indicates that our students' test scores are significantly higher than those exhibited by their public-school counterparts.

Principal's Desk

I would like to express my sincere gratitude to all teachers and school administrators whose invaluable professional input has enabled our students to produce results worthy of state recognition. I deeply value our teaching team and recognize its contribution to the triumphant state test results annually exhibited by our students.

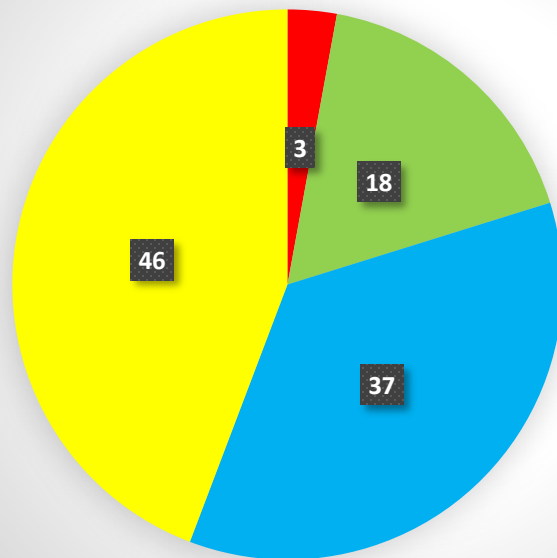

We are immensely proud of our students' achievements! As a Blue-Ribbon Award school, we pledge our ongoing commitment to excellence in education as well as our strive to excel further.

With Respect,
Vlad Gorny
