Meet Our Artists!

Art Gallery

“Every child is an artist.
The problem is how to remain an
artist

once we grow up.”

Pablo Picasso

Educators at the Big Apple Academy believe that engaging with art is essential to a well-rounded education. Children communicate through artistic expression almost as soon as motor skills are developed. The arts challenge our students with different points of view and boost their motivation and creativity.

We express our gratitude to all teachers and administrators responsible for orchestrating the Big Apple Academy Gallery, the artistic occasion what will leave a long-lasting impression on our students.
