

Principal's Desk

Each year, our students bring us immense pride as they represent our school and vie with peers in the *National Social Studies League* contest that include hundreds of schools nationwide. We commend all our school champions and congratulate the parents and teachers whose support contributed to this notable achievement! Stay tuned for the forthcoming announcement of the final national standings.

All students listed below will be invited to our Annual Award Ceremony, which will take place on May 30th, 2024.

We congratulate all the winners and hope that these victories will turn into legacies that our students will proudly carry throughout their lives. Today, your names adorn the academic greatness of your first alma mater, the Big Apple Academy! Tomorrow, your names will be displayed on banners at Ivy League colleges!

Vlad Gorny,
Principal
